

Hello

Basically...

You've got the most unique mobile device around.

(Just don't call it a phone.)

This is a Startup Guide. Find the complete manual on your CD-ROM.  
Or get help at [www.helio.com/support](http://www.helio.com/support).

# Meet Drift™

## Gear

Use the USB cable as a way to manage media and pictures on your device from your PC. Get the software at [www.helio.com/support](http://www.helio.com/support).

**Tip:** Press **Refresh** to immediately update available H.O.T. content.

## Sync It

### How do I...

#### ...sync my contacts wirelessly (no cable needed)?

First, go to the **My Account** link at [www.helio.com](http://www.helio.com) and create a myhelio.com **Web Mail** account. (Later you can access this directly at [webmail.myhelio.com](http://webmail.myhelio.com))

Your Web Mail username is your mobile\_number@my.helio.com. (Hey, you can pick a “friendly” email address too.) We’ll ask you to set a password the first time.

Next, on your device, press **Menu**, , **Sync Contacts**. Enter the username and password for your myhelio.com Web Mail account. (Your username for syncing is your myhelio.com email address.)

**Tip:** You can avoid typing and import your existing contacts from other email accounts. In Web Mail, click **Preferences**, **Import Address Book** for details.

## How do I...

...sync my contacts with my PC using the USB cable?

Use the **PC Link Pro** software. Download it at [www.helio.com/support](http://www.helio.com/support).

...transfer my personal music or videos to my device?

Use the USB cable and the great PC software we have waiting for you. Go to [www.helio.com/support](http://www.helio.com/support) to download.

**Tip:** You can also transfer files to your device using the Helio PC software and a microSD memory card (not included). Go to [www.helio.com/support](http://www.helio.com/support) to learn more.

## Bluetooth

Optional Bluetooth headsets (stereo and mono) are available from your Helio dealer or [www.helio.com](http://www.helio.com).

### How do I...

...turn the Bluetooth service on or off?

Press **Menu**, , **Bluetooth** (right soft key), **Bluetooth Mode**. Select **On** or **Off** and press .

...pair a Bluetooth headset (mono or stereo) with my device?

Turn on the Bluetooth service (see above). Place your Bluetooth headset into pairing mode (see the instructions that came with your Bluetooth headset). Select **Connect Device** and the type of device. Wait for your headset to be discovered, highlight it and press **Connect**.

...answer a call using a Bluetooth headset with my device?

Follow the instructions for your Bluetooth headset. Usually just tap a button.

...place a call using a Bluetooth headset?

Follow the instructions that came with your Bluetooth headset to initiate a call. Initiating a call from the headset will automatically redial the last number called.

### Mass Storage

Your Drift can act as a USB disk drive—16 MB of memory is set aside to store documents, spreadsheets, pictures, media and other files. Attach the USB cable and easily drag-and-drop files to or from any Windows PC. (Windows 2000® and later only. No drivers required.) You can also expand your memory capacity up to 2 GB with a microSD card.

To connect your Drift as a USB disk drive, connect the USB cable. Then press **Menu**, , **User Memory**, **USB Disk Mode**. You will not be able to make or receive calls while connected to your PC.

### View Files on the Go

You can view files stored in the USB Disk area or on a microSD card with the built-in document viewer. Zoom, navigate pages, rotate and view full screen. Supported file types are PDF, XLS, DOC, JPEG and PPT. You can also play MP3, 3G2 and MP4 video files. Try that with a lowly key chain flash drive.

To view files in the USB Disk area, press **Menu**, , **User Memory**, **File Manager**. Select a file and press .

Pick up an optional microSD memory card from your Helio dealer or [www.helio.com](http://www.helio.com).

## Refer a Friend

We want more members like you, and we'll make it worth your while to send your friends our way!

Tell your friends + family about Helio. Ask them to purchase a Helio device anywhere and activate new service online or by calling **888.88.HELIO**.

They'll be able to list you as a referring member online or when talking to our representatives (as long as you give them your name and Helio number).

Go to **www.helio.com** and click on **Referrals + Rewards** to see what you get for referring a friend.
